

K-LOVE radio is important to our community, by providing encouraging family friendly music, and news. The community needs this station as a safe station even children can listen to. You never have to worry about what you or children will hear, there are very few stations that can make that claim. It is in the best public interest to keep K-LOVE on the air, thousands of listeners are encouraged by the uplifting music and radio personalities. Please allow K-Love to continue serving our community.
